EXPECT A WARM WELCOME

Built in the 17th century, The Falcon Inn as it was then, has seen many a traveller, celebration and memorable gathering pass through its doors. Today The Falcon offers fine food, cosy corners and a real rustic feel with beautiful interiors. We're proudly independent, not part of a chain so what we offer is truly unique!

We focus on superb fresh produce and friendly efficient service. Savour the delights of our A la carte menu, toast our Sunday roast, or simply relax over a hand-pulled cask ale. There are fine wines from the new and old world to choose from too. Most of all we want you to feel welcome. Expect to be delighted.

FINE DINING

Our chefs take pride in great British classics, exciting seasonal creations and swimmingly good fish dishes using only the finest freshest produce.
