Tonic Water

Premium Indian Tonic Water

By blending luscious botanical oils with spring water and quinine of the highest quality from the 'fever trees' from the eastern hill ranges of the Democratic Republic of Congo, we have created a delicious, award-winning tonic water. Designed to enhance the very best gins, vodkas and fortified wines, like vermouth, fino sherry and white port.

Refreshingly Light Indian Tonic Water

We use naturally occurring fruit sugars to develop our lighter tonic water. The blending of subtle botanical flavours with spring water and highest-quality quinine gives it the distinctively clean, crisp character of Indian tonic water, but with 46% fewer calories.

Mediterranean Tonic Water

By blending the essential oils from the flowers, fruits and herbs that we have gathered from around the Mediterranean shores with highest-quality quinine from the 'fever trees' of the Democratic Republic of the Congo, we have created a delicate, floral tonic water.

Elderflower Tonic Water

By blending the essential oils from handpicked English elderflowers with quinine of the highest quality from the 'fever trees' of the Democratic Republic of the Congo, we have created a delicious, floral variation of our Indian tonic water.

Sicilian Lemon Tonic Water

By blending the finest Sicilian lemons with spring water and quinine of the highest quality from the 'fever trees' of the Democratic Republic of the Congo, we have created a delicious lemon tonic water with an authentic refreshing taste and aroma.
